Data sheet 5SL6120-7

Miniature circuit breaker 230/400 V 6kA, 1-pole, C, 20 A

| Model   |  |
|---|--|
| product brand name  | SENTRON  |
| product designation   | Miniature circuit breaker  |
| General technical data  |  |
| number of poles   | 1  |
| design of pole  | 1P   |
| tripping characteristic class   | C  |
| mechanical service life (operating cycles)  |  |
| • typical   | 10 000   |
| overvoltage category  | III  |
| degree of pollution   | 2  |
| Voltage   |  |
| type of voltage of the operating voltage  | AC   |
| type of voltage   | Use only in alternating current or direct current circuits. Mixed use is not permitted.                    |
| insulation voltage (Ui)   |  |
| <ul> <li>with single-phase operation at AC rated value</li> </ul>                   | 250 V  |
| <ul> <li>with multi-phase operation at AC rated value</li> </ul>                    | 440 V  |
| operational current   |  |
| <ul> <li>at 30 °C rated value</li> </ul>  | 20 A   |
| <ul> <li>at 40 °C rated value</li> </ul>  | 18.79 A  |
| <ul> <li>at 55 °C rated value</li> </ul>  | 16.8 A   |
| <ul> <li>at AC rated value</li> </ul>   | 20 A   |
| Supply voltage  |  |
| supply voltage at AC  | 400 V  |
| value range of the supply voltage frequency   | 50/60 Hz   |
| operating voltage   |  |
| <ul> <li>with multi-phase operation at AC maximum</li> </ul>                        | 440 V  |
| <ul> <li>at DC rated value maximum</li> </ul>                                       | 62.5 V   |
| •   | The operational voltage 62,5V DC/pole takes into account a battery charging voltage with peak value of 72V |
| Protection class  |  |
| protection class IP   | IP20, with connected conductors  |
| Breaking Capacity   |  |
| switching capacity current  |  |
| <ul> <li>according to EN 60898 rated value</li> </ul>                               | 6 kA   |
| according to IEC 60947-2 rated value  | 6 kA   |
| energy limitation class   | 3  |
| Dissipation   |  |
| power loss [W] for rated value of the current at AC in hot operating state per pole | 2.2 W  |

| suitability for operation  | Residential buildings/infrastructure |
|--|--------------------------------------|
| Product details  | residential buildings/inflastracture |
| product feature touch protection   | Yes                                  |
| product component neutral conductor switching                                | No                                   |
| product feature  | INO                                  |
| halogen-free   | Yes                                  |
| sealable   | Yes                                  |
| selable     silicon-free   | Yes                                  |
| product extension installable supplementary devices                          | Yes                                  |
| Connections  | 165                                  |
| connectable conductor cross-section solid                                    |                                      |
| minimum  | 0.75 mm²                             |
| maximum  | 25 mm <sup>2</sup>                   |
| connectable conductor cross-section stranded                                 | 20 111111                            |
| minimum  | 0.75 mm²                             |
| maximum  | 25 mm <sup>2</sup>                   |
| connectable conductor cross-section finely stranded with core end processing | 23 11111                             |
| • minimum  | 0.75 mm²                             |
| • maximum  | 25 mm²                               |
| tightening torque with screw-type terminals                                  |                                      |
| • minimum  | 2.5 N·m                              |
| maximum  | 3 N·m                                |
| Mechanical Design  |                                      |
| height   | 90 mm                                |
| width  | 18 mm                                |
| depth  | 76 mm                                |
| installation depth   | 70 mm                                |
| number of modular width units  | 1                                    |
| mounting position  | any                                  |
| net weight   | 127 g                                |
| Environmental conditions   |                                      |
| ambient temperature during operation   |                                      |
| • minimum  | -25 °C                               |
| • maximum  | 45 °C                                |
| ambient temperature during storage   |                                      |
| • minimum  | -40 °C                               |
| • maximum  | 75 °C                                |
| Environmental footprint  |                                      |
| Environmental Product Declaration(EPD)                                       | Yes                                  |
| Global Warming Potential [CO2 eq] total                                      | 28.2 kg                              |
| Global Warming Potential [CO2 eq] during manufacturing                       | 0.718 kg                             |
| Global Warming Potential [CO2 eq] during operation                           | 27.5 kg                              |
| Global Warming Potential [CO2 eq] after end of life                          | -0.057 kg                            |
| Approvals Certificates   |                                      |
| General Product Approval   |                                      |
